Introduction to Inmate Handbook

This Inmate Handbook will provide you with information about programs, operations, rules and regulations at the Federal Correctional Institution in Big Spring. The handbook is a condensed version of information available to you from Bureau of Prisons Program Statements, Institution Supplements (local policies), and memoranda from the Administration and your Unit Team. It is your responsibility to seek clarification of any issues which you find unclear.

Hopefully, this information will assist you in your first days at F.C.I. Big Spring. You should feel free to ask any staff member for assistance, particularly your unit staff. For individuals who are not yet in custody, and who have been given this book to prepare for commitment, the Bureau's Community Corrections Manager, or the staff at the institution to which you have been designated, can help answer your questions.

Your designation to a Federal Correctional Institution is based, in part, on your anticipated ability to function appropriately in a low security facility. Your strict compliance to the rules and regulations of this facility is essential to exhibiting the responsible behavior required at this institution.

This booklet is intended to be a guide. Changes in procedures may occur that affect this booklet and every effort will be made to inform the general population of these changes. You should attend announced town hall meetings and check bulletin boards frequently for staff memoranda informing you of any changes.

Fire Exits and Fire Extinguisher Locations

All fire exits are identified by a Fire Exit Sign and are noted on the Emergency Evacuation Diagram located throughout each floor of the unit. Please take the time to become familiar with emergency exit locations and procedures.

The units are equipped with fire extinguishers capable of extinguishing class A, B, or C type fires. These extinguishers are located in the Unit Officer's station. All fires or suspected fires will be reported immediately to the nearest staff member.

Fire Drills/Fire Evacuation Alarms: Fire drills will be conducted at a minimum of once per quarter. Upon hearing the fire alarm, you will immediately exit the facility using the nearest exit. It is imperative that you follow the directions of staff members and that this exit be orderly and quick. Once you have evacuated the building, you will assemble at the fence between Sunset Unit and Sunrise Unit unless directed to another location by a staff member.

Admission & Orientation (A&O)

A&O: Upon commitment, you will be initially assigned to a housing unit. You will participate in an Admission & Orientation (A&O) program in the Chapel prior to receiving a work assignment. You will immediately be provided with a copy of the institution's rules and regulations, which includes information on inmate rights and responsibilities. While in A&O, you will learn about the programs, services, policies, and procedures for this facility. Also, you will receive lectures from staff regarding their specific programs and departments. You will undergo a case management and medical screening at the time of arrival and will also be screened by the mental health staff upon request. You will be assigned a unit, as well as a Unit Manager, Case Manager, and Correctional Counselor.

Unit Teams

The Bureau of Prisons utilizes a Unit Management System. A unit is a self-contained inmate living area that includes both housing sections and office space for unit staff. Each unit is staffed by Unit Teams directly responsible for those inmates living in that unit. The Unit Staff offices are located in the units so staff and inmates can be accessible to each other. The Unit Team includes the Unit Manager, Case Managers, Correctional Counselors, and a Unit Secretary. When available, the Staff Psychologist, Education Advisor, and Unit Officer will participate in Unit Team meetings. Generally, the resolution of issues or matters of interest while at the institution are most appropriately initiated with your Unit Team. Unit Team members are available to assist in many areas, including release planning, personal and family problems, counseling, and assistance in setting and attaining goals while in prison.

General Function of the Staff

Unit Manager: The Unit Manager is the administrative head of the general unit and oversees all unit programs and activities. He or she is a Department Head at the institution and has a close working relationship with other departments and personnel. The Unit Manager is the "Chairperson" of the team, reviews all team decisions, and may be a member of the Unit Discipline Committee.

Case Manager: Your Case Manager is responsible for all casework services and prepares classification material, progress reports, release plans, correspondence and other materials relating to your commitment. He or she is responsible to the Unit Manager on a daily basis and the Case Management Coordinator (a specialist department head who provides technical assistance to unit staff in case management affairs) with reference to specialized training and duties. The Case Manager serves as a liaison between the inmate, the administration, and the community. The Case Manager is a member of the Unit Discipline Committee.

Correctional Counselor: The Unit Counselor provides counseling and guidance in areas of institutional adjustment, personal difficulties and plans for the future. He or she plays a leading role in all segments of unit programs and is a voting member of the Unit Team. The Unit Counselor will visit inmate work assignments regularly and is the individual to approach to help you solve daily problems. The Unit Counselor is a member of the Unit Discipline Committee.

Unit Secretary: The Unit Secretary performs clerical, and administrative duties. The Secretary functions as a member of the Unit Team.

Unit Officer: The Unit Officer has the direct responsibility for the day-to-day supervision of inmates and the enforcement of rules and regulations. They have the safety, security, and sanitation responsibilities of the unit.

Unit Schedules: Ordinarily, a member of the unit staff will be at the institution weekdays from 6:30 a.m. to 9:00 p.m., and 6:30 a.m. to 5:00 p.m. weekends and holidays. Unit Team members usually schedule their working hours so that at least one of them will be available. The unit bulletin boards contain written communication of interest to inmates. Unit staff will assist with the resolution of inmate concerns and facilitate communication.

Program Reviews: Inmates with a projected release date of more than one year will be seen every 180 days, while inmates with release dates of one year or less will be seen every 90 days. You will meet with your Unit Team at this time to review programs, work assignments, transfers, custody, institutional adjustment, financial responsibility, etc.

Town Hall Meetings: Town Hall meetings are held quarterly in each range, or as necessary, to make announcements and to discuss changes in the policy and procedures of the unit. Inmates are encouraged to ask pertinent questions of the staff and any guest speakers who are present. These questions should pertain to the unit as a whole, rather than personal questions or problems. Personal problems/questions should be brought to the attention of your Unit Staff.

Daily Inmate Life

Sanitation: - It is your responsibility to check your living area immediately after being assigned there, and to report all damages to the Correctional Officer, Case Manager, or Counselor. You may be held financially liable for any damage to your personal living area.

You are responsible for making your bed in accordance with regulations before work call (including weekends and holidays when you leave the area). You are also responsible for sweeping and mopping your personal living area, to insure it is clean and sanitary. Lockers must be neatly arranged inside and out, and all shelving must be neat and clean. No pictures of any kind are to be affixed to the walls or taped to the outside walls of the lockers. Nude pictures are unauthorized and will not be permitted to be displayed in any areas. Toothpaste, toothbrushes, combs, razors, and soap are issued by the institution and are available from the institution laundry.

Storage Space: Storage space consists of an individual locker. Locks may be purchased in the commissary. The amount of personal property allowed is limited to those items which can be neatly and safely placed in the space designated. Under no circumstance will any materials be accumulated to the point where they become a fire, sanitation, security, or housekeeping hazard. Wooden shelves and pieces of cardboard are **not permitted** to be affixed to the inside of the lockers for added storage space. Additional lockers are not authorized and will result in disciplinary action being taken.

Quarters And/or Bed Assignment Changes: All bed assignment changes should be requested via "cop-out" through the counselor assigned to perform bed assignment changes in your assigned unit. All inmates are subject to be reassigned to another bed at the discretion of the Unit Team. Also, the Unit Team has the discretion to deny any request for change in bed assignment.

Job Assignments

Job Assignments: All inmates will maintain a regular job assignment. Job assignments are controlled through a Performance Pay System which provides monetary payment for work. Only Unit Staff will make the final approval for job changes and see that the changes are entered on the Daily Change Sheet which is posted daily on the Unit Bulletin Board. Work details will ordinarily only be changed on the 1st and 15th of the month after initial assignment. Inmates will ordinarily be required to stay in a job assignment a minimum of 90 days prior to reassigning.

The first work assignment you will usually receive is Sunset A&O or Sunrise A&O, and you will be kept on this assignment while medical and other screening is accomplished. If you have any specialized skills, your Unit Team will want to be made aware of those as they consider a permanent job assignment for you. In the event you have a work-related injury, ensure you report it immediately to your work detail supervisor. Information on procedures for work-related injuries can be located in the "Inmate Accident Compensation Procedures", which is handed out during Admission & Orientation.

Counseling Activities

There are many alternatives for inmates who have personal problems and desire to address them. These options include Alcoholics/Narcotics Anonymous, drug abuse counseling, and other special interest groups upon request. We have professional staff who are trained in the various social science fields. Inmate participation in these activities will be encouraged upon the staff's assessment of inmate needs. Participation in such activities is voluntary and/or mandatory if specified by a certified court document. The staff of each unit are available for informal counseling sessions, and they conduct formal group counseling activities.

Release Preparation Program

At each inmate's initial classification, unit staff will determine whether he is an exception under policy to participate in the Release Preparation Program (RPP). Inmates with the Public Safety Factor, "Alien," are not required to participate in the program. In all cases where an inmate who is classified "RPP need" and is within 30 months of his release, the unit team shall discuss Release Program recommendations with the inmate, which is normally recommended during an inmate's initial classification or Program Review. It is the inmate's responsibility to request enrollment in recommended courses directly to the course facilitators by submitting an Inmate Request to Staff. Inmates refusal to participate may affect recommendations for community programming.

Escorted Trips

Bedside visits and funeral trips may be authorized for inmates in lower custody categories when an immediate family member is seriously ill, in critical condition, or has passed away. Depending on the inmate's custody classification, one or two staff will escort the inmate. All expenses will be borne by the inmate. There are occasions when an escorted trip is not approved, even when all policy required conditions have been met, based on a determination that the perceived danger to Bureau of Prisons staff during the proposed visit is too great or the security concerns about the individual inmate outweigh the need to visit the community.

Central Inmate Monitoring System

The Central Inmate Monitoring System (CIMS) is a method for the BOP to monitor and control the transfer, temporary release, and participation in community activities of inmates who pose special management considerations. Designees as a CIMS case will be notified by their case manager in writing and have the opportunity to appeal the classification via the administrative remedy process.

Inmate Financial Responsibility Program

The Bureau of Prisons works closely with the Administrative Office of the Courts and the Department of Justice to administer a systematic payment program for court-imposed fines, fees, costs and other legal responsibilities. All designated inmates are required to develop a financial plan to meet their financial responsibilities. These responsibilities may include: special assessments imposed under 18 U.S.C. 3013, court-ordered restitution, fines and court costs, judgments in favor of the U.S., other debts owed the federal government, and other court-ordered responsibilities (e.g., child support, alimony, other judgments).

Institution staff assists in planning, but you are responsible for making all payments required, from earnings within the institution and/or from outside resources. You must provide documentation of compliance and payment. If you refuse to meet your responsibilities, you cannot participate in Vocational Training, use Special Purchase Orders, reside in preferred housing nor receive Performance Pay above the maintenance pay level. The status of any financial plan will be included in all progress reports and will be considered by staff when determining security/custody level, job assignments, eligibility for community activities, and institutional program changes. ***In addition, if an inmate receives an incident report for a 100 level drug-related

or 200 level alcohol-related incident report, and is found to have committed the prohibited act, you will not receive Performance Pay above the maintenance pay level for one full year from the date of finding of guilt.*** The U.S. Parole Commission will also review financial responsibility progress at parole hearings. Inmates that are placed in "FRP Refuse" status will be limited to a \$25.00 spending limit per month in the Commissary Sales Unit, which does not include stamps.

Inmate Access to Central Files

You may request access to portions of your central file and medical records which may be disclosed to you by submitting an inmate request to staff member to your unit team or medical records.

Legal Issues

Legal Correspondence - Legal correspondence from attorneys will be treated as special mail if it is properly marked. The envelope must be marked with the attorney's name and an indication that he/she is an attorney, and the front of the envelope must be marked "*Special Mail - Open Only in the Presence of the Inmate.*" It is the responsibility of the inmate to advise his attorney of the policy. If legal mail is not properly marked, it will be opened as general correspondence.

To the Inmate: It is suggested that you provide the following information, pertaining to special mail privileges, to your attorney(s) who may represent you at the earliest opportunity: The Bureau of Prisons Program Statement on Correspondence provides the opportunity for an attorney who is representing an inmate to request that attorney-client correspondence be opened only in the presence of the inmate. For this to occur, Bureau policy requires that you adequately identify yourself as an attorney on the envelope and that the front of the envelope be marked "Special Mail - Open Only in the Presence of the Inmate" or with similar language clearly indicating that your correspondence qualifies as special mail and that you are requesting that this correspondence be opened only in the presence of the inmate. Provided the correspondence has this marking, Bureau staff will open the mail only in the inmates's presence for inspection for physical contraband and the qualification of any enclosure as special mail. The correspondence will not be read or copied if these procedures are followed. If your correspondence does not contain the required identification that you are an attorney, a statement that your correspondence qualifies as special mail, and a request that the correspondence be opened only in the presence of the inmate, staff may treat the mail as general correspondence and may open, inspect, and read the mail. **A copy for your attorney is attached on the next page.**

Attorney Visits: Attorneys should ordinarily make advance appointments for each visit. Attorneys are encouraged to visit during the regular visiting hours. However, visits from an attorney can be arranged at other times based on the circumstances of each case and available staff. Attorney visits will be subject to visual monitoring, but not audio monitoring. Arrangements should be made through your unit counselor.

Legal Material: During attorney visits, a reasonable amount of legal materials may be allowed in the visiting area with prior approval. Legal material may be transferred during attorney visits, but it is subject to inspection for contraband, and must be coordinated through the Unit Team. This material will be treated in a similar manner as the special mail procedures described above. Inmates are expected to handle the transfer of legal materials through the mail as often as possible.

Law Library: The Law Library is located in the east end of the Education building. Hours are 7:45 a.m. to 10:30 a.m, 12:00 p.m. to 3:30 p.m., 5:30 p.m. to 8:45 p.m., Monday thru Friday, and 6:00 a.m. to 9:45 a.m., 11:00 a.m. to 3:45 p.m. on Saturday. Closed Sundays and federal holidays. Legal reference material is available for preparation of legal documents in the law library. Legal materials are expensive and for everyone's benefit. Unauthorized possession of library materials constitutes a prohibited act and warrants disciplinary action. Inmate assistance is available.

Notary Public: Under the provisions of 18 U.S.C. 4004, case managers and secretaries are authorized to notarize documents. The law allows that a statement to the effect that papers which an inmate signs are "true and correct under penalty or perjury" will suffice in federal courts and other federal agencies, unless specifically directed to do otherwise. Some states will not accept a government notarization for real estate transactions, automobile sales, etc. In these cases, it will be necessary to contact unit staff for notary arrangements. Notaries will only be provided if required by the receiving agent. Any others will be stamped by your case manager as stated above.

To The Inmate:

It is suggested you provide this instruction sheet for special mail privileges to your attorney(s) who is representing you, at the earliest opportunity, when you write to or visit with your attorney(s).

To The Attorney:

The Bureau of Prisons Program Statement on Correspondence provides the opportunity for an attorney who is representing an inmate to request that attorney-client correspondence be opened only in the presence of the inmate. For this to occur, Bureau policy requires that you adequately identify yourself as an attorney on the envelope and that the front of the envelope be marked "Special Mail - Open Only in the Presence of the Inmate" or with similar language clearly indicating that your correspondence qualifies as special mail and that you are requesting that this correspondence be opened only in the presence of the inmate. Provided the correspondence has this marking, Bureau staff will open the mail only in the inmate's presence for inspection for physical contraband and the qualification of any enclosure as special mail. The correspondence will not be read or copied if these procedures are followed. If your correspondence does not contain the required identification that you are an attorney, a statement that your correspondence qualifies as special mail, and a request that the correspondence be opened only in the presence of the inmate, staff may treat the mail as general correspondence and may open, inspect, and read the mail.

Copies of Legal Materials: Inmates may copy materials necessary for their research or legal matters. A Debitec copy machine is available in the Education Department. Indigent individuals who request unit staff to make copies of legal materials must demonstrate why copies cannot be made with the use of carbon paper. If it is determined copying is necessary, staff will determine if the amount is reasonable and may waive duplicating fees.

Federal Tort Claims: Under 31 U.S.C section 3723, an inmate may file a claim for damage to or loss of inmate property that has been detained by staff that is caused by the negligence, wrongful act or omission by institution staff acting within the scope of employment. A claim may be filed by completing Form BP-AO943, Small Claims for Property Damage or Loss, which is available in the law library or from your unit team. The claim form must be filed within one year after the claim accrues and mailed to the regional office in the region where the claim occurred. Under the Federal Tort Claims Act, an inmate or person acting on their behalf as an agent, parent, guardian, or other representative to act on their behalf, may file a claim for personal injury or wrongful death by submitting two (2) copies of the completed standard form 95, Claim for Damage, Injury, or Death. The tort claim form should be mailed directly by you or your representative to the regional counsel, attention: Legal, for the region in which your claim occurred, not where you are now confined. Inmate work-related claims are not compensable under the FTCA's provisions. Such claims should be processed under the Inmate Accident Compensation Act, 28 CFR 301.301-301.317.

Freedom of Information Act / Privacy Act of 1974: The Privacy Act of 1974 forbids the release of information from agency records without a written request by, or without the prior written consent of, the individual to whom the record pertains, except for specific instances. All formal requests for access to BOP records (including program statements and operations memoranda) shall be processed through the Freedom of Information Act, 5 U.S.C. 552, the Privacy Act, 5 U.S.C. 552a, and 28 CFR 513.30 – 513.68. A Freedom of Information Request must be made in writing and addressed to the Director of the BOP, 320 First Street, NW, Washington, D.C. 20534. The requestor shall clearly mark on the face of the letter and the envelope "Freedom of Information Request."

Problem Resolution

Inmate Requests to Staff Member: The Bureau form BP-148 (70) Inmate Request to Staff Member, commonly called a "Cop-Out," is used to make written requests to a staff member. "Cop-outs" may be obtained in the living units from the unit officer. Staff members who receive a "cop-out" will answer the request in a "reasonable" period of time. The answer will normally be written on the bottom of the request form.

Administrative Remedy Process: The Bureau of Prisons has an internal grievance procedure which the prisoners must use before bringing an action in federal court. This Administrative Remedy process is a method by which an inmate may seek formal review of a complaint related to any aspect of his imprisonment.

Before beginning the Administrative Remedy process, you shall first attempt an informal resolution through your unit counselor. You shall verbally present your complaint to your unit counselor. An informal resolution form may be requested and then submitted. If you filled out an informal resolution form, you will be referred to the appropriate staff or department to try to resolve your problem. The staff or appropriate department will have 10 days to attempt to resolve the issue. Additional time can be granted in certain circumstances. If the issue cannot be informally resolved, you may request an Administrative Remedy (BP-9) through the unit counselor within 20 days of the date of the answer to the informal resolution. If you can demonstrate that you have tried to resolve the problem informally (cop-out or other staff confirmation), it can be attached to the informal resolution form and you can proceed to the BP-9. The informal resolution form should still be filled out and verified by the unit counselor. The unit counselor will attach the original Informal Resolution Form to the BP-9 and promptly forward to the Administrative Remedy Clerk. However, you are responsible for providing one (1) copy of any continuation page and/or any attachments to the BP-9. You shall only place a single complaint or issue on each form.

In the event you are not satisfied with the response from the institution and you want to appeal, you may do so within 20 calendar days of the date of the warden's response by submitting an Administrative Remedy appeal (BP-10) to the Regional Director. If you are not satisfied with the Regional Director's answer, you can appeal the decision to the Office of General Council in Washington D.C. by submitting a Central Office Administrative Remedy (BP-11) within 30 calendar days of the date the Regional Director signed the BP-10.

Appeals from the Unit Disciplinary Committee (UDC) or Disciplinary Hearing Officer (DHO) actions are reviewed through the Administrative Remedy program. The official reviewing UDC decisions is the Warden. Appeals shall be filed initially with a BP-9 to the Warden within 20 calendar days of the date that you receive the written notice from the UDC of its decision. The decisions of the DHO are reviewed by the Regional Director. DHO appeals shall be filed on a BP-10 to the Regional Director in the region that you are currently confined. These appeals must be filed in 20 days of the date that you receive a written decision from the DHO.

For UDC or DHO appeals, each incident report number must be appealed separately. You cannot add any additional complaint or issues not previously addressed in lower level filings nor can you combine lower level responses into a single appeal.

Make sure that you keep a copy for yourself of any evidence that you have in case you need to submit it with other appeals. You will be provided 3 copies of the warden's response.

Once an Administrative Remedy request or appeal has been filed, a response shall be provided by the Warden within 20 calendar days, the Regional Director 30 calendar days; and the Central Office has 40 calendar days. However, extensions up to 20 calendar days may be granted.

Time limits for filing (in calendar days)

<u>FORM</u>	<u>TIME PERIOD</u>
BP-9:	20 days of the date of informal resolution response
BP-10:	20 days from BP-9 response.
BP-11:	30 days from BP-10 response.

<u>RESPONSE:</u>	<u>EXTENSIONS UP TO:</u>
BP-9:	20 days
BP-10:	30 days
BP-11:	40 days

Sensitive Complaints: If an inmate reasonably believes the issue is sensitive and the inmate's safety or well-being would be placed in danger if the request became known at the institution, he may file the complaint directly to the Regional Director. You shall clearly mark "Sensitive" upon the request and explain, in writing, the reason for not filing the complaint with the institution. If the Regional Director agrees that the complaint is sensitive, it shall be accepted and a response to the complaint will be processed. If the Regional Director does not agree that the complaint is sensitive, you will be advised in writing of that determination. If the complaint is not determined to be sensitive, it will be returned. You may then pursue that matter by filing a BP-9 at the institution.

Discipline Procedures: It is the policy of the Bureau of Prisons to provide a safe and orderly environment for all inmates. Violations of Bureau rules and regulations are dealt with by the Unit Discipline Committee (UDC) and, for more serious violations, the Discipline Hearing Officer (DHO). Inmates are advised upon arrival at the institution of the rules and regulations and are provided with copies of the Bureau's Prohibited Acts, as well as local regulations.

Inmate Discipline Information: If a staff member observes or believes he has evidence that an inmate has committed a prohibited act, the first step in the discipline process is writing an incident report. The incident report shall ordinarily be delivered to the inmate within 24 hours of the time staff became aware of the inmate's involvement in the incident. An informal resolution of the incident may be attempted by the Operations Lieutenants or the Unit Discipline Committee. If an informal resolution is accomplished, the incident report will not be placed in the inmate's central file. Informal resolution is encouraged by the Bureau of Prisons for all violations except those in the greatest and high severity categories. Violation in the greatest severity category must be forwarded to the Discipline Hearing Officer for final disposition. If an informal resolution is not accomplished, the incident report is forwarded to the UDC for an initial hearing.

Initial Hearing: Inmates must ordinarily be given an initial hearing within three (3) work days of the time staff became aware of the inmate's involvement in the incident (excluding the day staff became aware of the incident, weekends, and holidays). You are entitled to be present at the initial hearing. You may make statements or present documentary evidence in your behalf. The UDC must present its decision in writing to you by the close of business the next workday. The UDC may extend the time limits of these procedures for good cause and advise you of the delay. The Warden must approve any extension over five (5) days, and you will be provided with written reasons for the extension. The UDC will either make final disposition of the incident or refer it to the Discipline Hearing Officer (DHO) for final disposition.

Discipline Hearing Officer (DHO): The Discipline Hearing Officer conducts disciplinary hearings on serious rule violations. The DHO may not act on a case that has not been referred by the UDC.

You will be provided with advance written notice of the charges not less than 24 hours before appearing before the DHO. You may waive this requirement. You will be provided with a full-time staff member of your choice to represent you at your request. You may make statements in your own defense and may produce documentary evidence. You may present a list of witnesses and request they testify at the hearing. You may not question a witness at the hearing; the staff representative and/or the DHO will question any witness for you. You may submit a list of questions for the witness(es) to the DHO if there is no staff representative. The DHO will request a statement from all unavailable witnesses whose testimony is deemed relevant. You have the right to be present throughout the DHO hearing, except during deliberations. You may be excluded during appearances of outside witnesses or when institution security could be jeopardized. The DHO may postpone or continue a hearing for good cause. Reasons for the delay must be documented in the record of the hearing. Final disposition is made by the DHO.

Appeals of Discipline Actions: Appeal of all disciplinary actions may be made through Administrative Remedy Procedures. UDC decisions should be appealed on a BP-9, submitted to the Warden at the institution within 15 calendar days of the receipt of the written UDC decision. A DHO appeal is submitted to the Regional Director on a BP-10 within 20 calendar days of the receipt of the written decision of the DHO. On appeal, the following items will be considered:

Whether the UDC or DHO substantially complied with the regulations on inmate discipline;

Whether the UDC or DHO based its decision on some facts, and if there was conflicting evidence, whether the decision was based on the greater weight of the evidence;

Whether an appropriate sanction was imposed according to the severity level of the prohibited act.

The staff member who responds to the appeal may not be involved in the incident in any way. These staff members include UDC members, the DHO, the investigator, the reporting officer, and the staff representative. The staff representative will assist you in preparing an appeal, upon your request.

Special Housing Unit Status: There are two statuses in the Special Housing Unit: Administrative Detention and Disciplinary Segregation. Administrative Detention separates an inmate from the general population when necessary to ensure the safety, security, and orderly operation of the institution. To the extent practical, inmates in Administrative Detention shall be provided with the same general privileges as inmates in general population. An inmate may be placed in Administrative Detention while in holdover status pending classification, while pending investigation or a hearing for a violation of Bureau regulations, pending investigation or trial for a criminal act, pending transfer, for protection, or when finishing confinement in Disciplinary Segregation.

Disciplinary Segregation is used as a sanction for violations of Bureau rules and regulations. Inmates in Disciplinary Segregation will be denied certain privileges. Personal property will usually be impounded. Inmates placed in Disciplinary Segregation are provided with blankets, a mattress, a pillow, toilet tissue, and shaving utensils (as necessary). Inmates may possess legal and religious materials while in Disciplinary Segregation. Also, staff shall provide a reasonable amount of non-legal reading material. The Captain conducts periodic reviews of inmates in Disciplinary Segregation. The Psychologist will make weekly rounds in Special Housing. Inmates in Disciplinary Segregation and Administrative Detention shall be seen by a member of the medical staff daily, including weekends and holidays. Either the Unit Manager, Case Manager, or Counselor shall make at least daily visits to inmates housed in the Special Housing Unit. Inmates in both Administrative Detention and Disciplinary Segregation are provided with regular reviews of their housing status.

Sentencing Information

Sentence Computation: The Designation and Sentence Computation Center (DSCC) located in Grand Prairie, Texas is responsible for the computation of inmate sentences. You will be given a copy of your sentence computation by your Unit Team when completed. Any questions regarding good time, jail time credit, parole eligibility, full term dates, release dates, or periods of supervision can be discussed during CSD/Records open house. "Open House" is held on Tuesdays and Thursdays from 11:00 a.m. to 12:00 p.m. in building 207.

Committed or Non-Committed Fines: In addition to jail time, the court may impose a committed or non-committed fine and/or costs. A committed fine pertains to inmates convicted of an offense committed before November 1, 1987. When the Court orders a prisoner's confinement until payment of a fine, or fine and costs under the provisions of Title 18 U.S.C., section 3565, the BOP shall confine that inmate until the fine, or fine and costs are paid, unless the inmate qualifies for release under Title 18 U.S.C., section 3569 (Pauper's Oath). A non-committed fine includes felony assessments, misdemeanor assessments, fines and court costs. Restitution obligations may include property and victim services costs. The Court Security Improvement Act of 2007, Public Law 110-177, states that the BOP shall notify verbally and in writing, any inmate releasing to supervised release with court-ordered fines, of the requirement that the inmate must adhere to an installment schedule and the consequences described in Title 18 U.S.C., sections 3611-3614, which include monetary penalties, ordering the sale of property, a restraining order or injunction, contempt of court, revocation, or modification of the terms of supervised release, or re-sentencing.

Detainers: Warrants based on pending charges, overlapping, consecutive, or unsatisfied sentences in federal, state, or military jurisdictions will be accepted as Detainers. Detainers and untried charges can have an effect on institutional programs. Therefore, it is very important that you initiate efforts to clear up these cases to the degree possible.

Interstate Agreement on Detainers: State detainers may be quickly processed under the procedures of the "Interstate Agreement on Detainers." This agreement applies to all Detainers based on untried pending charges which have been lodged against an inmate by a "member" state. For an inmate to use this procedure, the warrant must be lodged with the institution. If no detainer is actually lodged, it is important for the inmate to contact the court and district attorney for resolution.

Good Conduct Time: This applies to inmates sentenced for an offense committed after November 1, 1987, when the Comprehensive Crime Control Act (CCCA) became law. The two most significant changes in the sentencing statutes deal with good time and parole issues. There are no provisions under the new law for parole. Good time available is 54 days per calendar year, and may be awarded in part or in whole, contingent upon behavior during the year. Once awarded, it is vested and may not be forfeited for SRA and VCCLEA sentences. PLRA sentences do not vest GCT until the actual day of release. There is no statutory good time or extra good time for people sentenced for crimes committed after November 1, 1987.

THE FOLLOWING ONLY APPLIES TO INMATES SENTENCED FOR AN OFFENSE COMMITTED PRIOR TO NOVEMBER 1, 1987:

Parole: Parole is release from incarceration under conditions established by the U.S. Parole Commission. Parole is not a pardon or an act of clemency. A parolee remains under the supervision of a U.S. Probation Officer until the expiration of his full term.

Good Time: "Good Time" awarded by the Bureau of Prisons under statutes enacted prior to November 1, 1987, has the effect of reducing the stated term of the sentence; that is, it advances the date when release will be mandatory if the offender is not paroled at an earlier date. The Parole Commission, in setting a parole date, may also consider the behavior for which good time is awarded.

Statutory Good Time: Under 18 U.S.C. 4161, an offender sentenced to a definite term of six months or more is entitled to a deduction from his term, computed as follows, if the offender has faithfully observed the rules of the institution.

6 months to 1 year	- 5 days per month
More than 1 year, less than 3 years	- 6 days per month
At least 3 years, less than 5 years	- 7 days per month
At least 5 years, less than 10 years	- 8 days per month

10 years or more

- 10 days per month

At the beginning of a prisoner's sentence, the full amount of statutory good time is credited, subject to forfeiture if the prisoner commits disciplinary infractions. If the sentence is for five years or longer, 18 U.S.C. 4206(d) requires the Parole Commission to release an offender after he has served two-thirds of the sentence, unless the Commission determines that he has seriously violated Bureau of Prisons rules or regulations or that there is a reasonable probability that he will commit a crime.

Statutory Good Time does not apply to life sentences or to those few inmates remaining who were sentenced under the Youth Corrections Act, or CCCA sentences. It applies to a split sentence if the period of confinement is exactly six months; a shorter period cannot be part of a split sentence.

Extra Good Time: The Bureau of Prisons awards extra good time credit for performing exceptionally meritorious service, for employment in UNICOR or for designated placement in a minimum security camp.

The Warden may disallow or terminate the awarding of any type of extra good time (except for lump sum awards) but only in a non-disciplinary context and only upon recommendation of staff. The Disciplinary Hearing Officer may also disallow or terminate the awarding of any type of extra good time (except lump sum awards) as a disciplinary sanction. Once an awarding of meritorious good time has been terminated, the Warden must approve a new staff recommendation in order for the award to recommence. A "disallowance" means that an inmate does not receive an extra good time award for only one calendar month. There may be no partial disallowance. A decision to disallow or terminate extra good time may not be suspended pending future consideration. A retroactive award of meritorious good time may not include a month in which extra good time has been disallowed or terminated.

Lump Sum Awards: Any staff member may recommend to the Warden the approval of an inmate for a lump sum award of extra good time. Such recommendations must be for an exceptional act or service that is not a part of regularly assigned duty. The Warden may make lump sum awards of extra good time of not more than 30 days. Any recommendation for more than 30 days, on which the Warden agrees, will be referred to the Regional Director for final approval.

No award will be approved if the award would be more than the maximum number of days allowed under 18 U.S.C. 4162. The actual length of time served on the sentence, including jail time credit, is the basis on which the maximum amount of the award is calculated. Any extra good time already earned will be subtracted from this stated maximum. Staff may recommend lump sum awards of extra good time for the following reasons:

1. An act of heroism.
2. Voluntary acceptance and satisfactory performance of an unusually hazardous assignment.
3. An act which protects the lives of staff or inmates or the property of the United States. This is to be an act and not merely the providing of information in custodial or security matters.
4. A suggestion which results in substantial improvement of a program or operation or which results in significant savings.
5. Or any other exceptional or outstanding service.

Good Time Procedures: Extra good time is awarded at a rate of three days per month during the first 12 months, and at the rate of five days per month thereafter (i.e., the first 12 months, as stated, means 11 months and 30 days day-for-day of earning extra good time before an inmate can start earning five days per month. For example, if an inmate were to stop working, transfer from Industry to an institution job, or if good time was terminated for any reason, the time that the inmate is not earning good time does not count in the calculation of the first 12 months). If the beginning or termination date of an extra good time award occurs after the first day of the month, a partial award of days is made. An inmate may be awarded extra good time even though some or all of the inmate's statutory good time has been forfeited or withheld.

Extra good time is not automatically discontinued while an inmate is hospitalized, on furlough, out of the institution on Writ of Habeas Corpus, or removed under the Interstate Agreement on Detainers Act. Extra good time may be terminated or disallowed during such absences if the Warden finds that the inmate's behavior warrants such action.

An inmate committed for civil contempt is not entitled to extra good time deductions while serving the civil contempt sentence.

An inmate in an extra good time earning status may not waive or refuse extra good time credits. Once extra good time is awarded, it becomes vested and may not be forfeited, withheld, or retroactively terminated or disallowed.

RELEASE

Release Planning for Parole cases: If granted parole by the U.S. Parole Commission, the Commission will require an approved parole plan prior to release. An approved parole plan consists of an offer of employment and a place to reside.

The job must pay at least minimum wage and normally may not require extensive travel. The place to reside must be a reputable establishment, but can be almost anywhere (parents, wife, friend). The proposed parole plan is thoroughly investigated by the U.S. Probation Officer and must be approved.

The release plan is part of the material which is submitted in connection with the parole hearing. The Unit Team submits the inmate's release plans to the U.S. Probation Officer approximately six to nine months before the scheduled parole date.

Residential Reentry Center Transfers: Inmates who are nearing release and who need assistance in obtaining a job, residence, or other community resources may be transferred to a Residential Reentry Center.

The Bureau's Community Corrections Branch, within the Correctional Programs Division, supervises services provided to offenders housed in contract facilities and participating in specialized programs in the community. The Residential Reentry Manager (RRM) links the Bureau of Prisons with the U.S. Courts, other Federal agencies, state and local governments, and the community. Located strategically throughout the country, the RRM is responsible for developing and maintaining a variety of contract facilities and programs working under the supervision of the appropriate Regional Administrator.

Community programs have three major emphasis: residential community-based programs provided by residential reentry centers and local detention facilities, programs that provide intensive nonresidential supervision to offenders in the community, and programs that board adult offenders in contract correctional facilities.

Community-Based Residential Programs: The community-based residential programs available include both typical residential reentry centers and local detention facilities. Each provides a suitable residence, structured programs, job placement, and counseling while monitoring the offender's activities. They also provide drug testing and counseling and alcohol monitoring and treatment. While in these programs, employed offenders are required to pay subsistence to help defray the cost of their confinement. The inmate's payment rate during RRC residence is 25 percent of the inmate's income.

Most Bureau of Prisons' community-based residential programs are provided in Residential Reentry Centers (RRC's). These facilities contract with the Bureau of Prisons to provide residential correctional programs near the offender's home community. RRC's are used primarily for three types of offenders:

1. Those nearing release from a BOP institution as a transitional service while the offender is finding a job, locating a place to live, and reestablishing family ties.
2. Those under community supervision who need guidance and supportive services beyond what can be provided through regular supervision.
3. Those serving short sentences of imprisonment and terms of community confinement.

Each RRC provides two components within one facility, a pre-release component and a community corrections component. The pre-release component assists offenders making the transition from an institutional setting to the community or as a resource while under supervision. The community corrections component is designed as a punitive sanction. Except for employment and other required activities, the offenders in this second, more restrictive component must remain at the RRC where recreation, visiting, and other activities are provided in-house.

Inmate Personal Property Limits/Correspondence Procedures

Items which may be retained by an inmate are limited for sanitation and security reasons and to ensure that excess personal property is not accumulated which would constitute a fire hazard or impair staff searches of the living area. For a list of authorized personal property, check the current Institution Supplement entitled Inmate Personal Property. In addition, inmates are not authorized to contain, obtain, or acquire a copy of their "Statement of Reasons" and/or Pre-Sentence Report. If such documents are found to be in the inmate's personal property they will be confiscated and mailed out at the inmate's expense.

Correspondence: In most cases, you are permitted to correspond with the public, family members and others without prior approval. The outgoing envelope must have your name, register number and the full institution name and address in the upper left hand corner. Inmate outgoing mail which does not contain a return address will be opened and returned to the sending inmate. For example:

Inmate Name
Reg. No.
Federal Correctional Institution
1900 Simler Avenue
Big Spring, TX 79720

1. You must assume responsibility for the contents of all of your letters. Correspondence containing threats, extortion, etc., may result in prosecution for violation of federal laws.
2. You may be placed on restricted correspondence status based on misconduct or as a matter of classification. You will be notified of this placement and given an opportunity to respond.
3. There is no mail service on weekends and holidays.

Incoming Correspondence: First class mail is distributed Monday through Friday (except holidays). The mail room will distribute legal and special mail within 24 hours of its receipt.

You should advise those writing you to put your name, register number and unit on the envelope to aid the prompt delivery of mail.

Incoming Publications: You may subscribe to and receive publications without prior approval, but are limited in total to five, in combination, of books, newspapers and/or magazines. The term "publication" means a book, single issue of a magazine or newspaper, or materials addressed to a specific inmate, such as advertising brochures, flyers, and catalogs. You may receive soft cover publications (paperback books, etc.) from any source. Newspapers and hardcover publications may be received only from a publisher, a bookstore or a book club. Because of sanitation and fire safety reasons, you may not retain, more than eight (8), in combination, books, newspapers, magazines, and/or other publications at any one time, including books from the Institution Library.

However, this limitation does not apply to educational material needed for current courses being taken or for legal material needed for ongoing court cases. The Unit Manager may allow more space for legal publications upon request. Questions regarding proper procedures and regulations concerning incoming publications (brochures, flyers, catalogues, books, single issues of a magazine, newspapers) may be answered by referring to the BOP Program Statement and Institution Supplement on Publications.

The Warden will reject a publication if it is determined to be detrimental to the security, good order, or discipline of the institution, or if it might facilitate criminal activity. Publications which can be rejected by the Warden include, but are not limited to, publications which meet one of the following criteria:

1. It depicts or describes procedures for the construction or use of weapons, ammunition, bombs, or incendiary devices.

2. It depicts, encourages, or describes methods of escape from correctional facilities, or contains blueprints, drawings, or similar descriptions of Bureau of Prisons' institutions.
3. It depicts or describes procedures for the brewing of alcoholic beverages or the manufacture of drugs.
4. It is written in code.
5. It depicts, describes, or encourages activities which may lead to the use of physical violence or group disruption.
6. It encourages or instructs in the commission of criminal activity.
7. Any magazine containing nudity as established by the Ensign Amendment.

Should any publication be rejected you will receive a "Rejected Publication Memo" from the Warden, then you will have 20 days to file an Administrative Remedy Form (BP-9).

Special Mail: "Special Mail" is a category of correspondence which may be sent out of the institution unopened and unread by staff, which includes correspondence to: President and Vice-President of the United States; U.S. Department of Justice (including Bureau of Prisons); U.S. Attorneys' Offices; Surgeon General; U.S. Public Health Service; Secretary of the Army, Navy, or Air Force; U.S. Courts; U.S. Probation Officer; Governors; State Attorneys; General Prosecuting Attorneys; Directors of State Departments of Corrections; State Parole Commissioners; State Legislators; State Courts; State Probation Officers; other Federal and State law enforcement officers; attorneys and representatives of the news media. In order for correspondence to be processed under "Special Mail" procedures, the inmate must indicate on the correspondence "Legal Mail" and hand deliver it to Mail Room staff between 7:00a.m. and 7:30 a.m. Furthermore, the inmate must possess and present his inmate account card for positive visual identification.

Special Mail also includes mail received from the following: President and Vice-President of the United States, Attorneys, Members of U.S. Congress, Embassies and Consulates, the U.S. Department of Justice (including the Bureau of Prisons), other Federal law enforcement officers, U.S. Attorneys, State Attorney General, Prosecuting Attorneys, Governors, and U.S. Judges.

Incoming Special Mail will be opened in the presence of the inmate. The mail room staff usually does this. These items will be checked for physical contraband and for qualification as special mail; the correspondence will not be read or copied if the sender has accurately identified himself on the envelope and the front of the envelope clearly indicates that the correspondence is special mail only to be opened in the presence of the inmate. Without adequate identification as Special Mail, the staff may treat the mail as general correspondence. In this case, the mail may be opened, read, and inspected.

Inmate Correspondence with Representatives of the News Media: An inmate may write through "Special Mail" procedures to representatives of the news media if specified by name or title. The inmate may not receive compensation or anything of value for correspondence with the news media. The inmate may not act as a reporter, publish under a byline, or conduct a business or profession while in Bureau custody.

Representatives of the news media may initiate correspondence with an inmate. Correspondence from a representative of the news media will be opened, inspected for contraband, for qualification as media correspondence, and for content which is likely to promote either illegal activity or conduct contrary to regulations.

Correspondence Between Confined Inmates: You must obtain permission to correspond with an inmate confined in another penal or correctional institution. You should make your request to your Unit Team, adequately explaining why you wish to correspond with the other inmate. Your Unit Team will investigate the circumstances and make a recommendation. In general, inmate-to-inmate correspondence is usually approved when it is between immediate family members or when both inmates are involved in a common legal action (such as a pending court case). Unit Managers of BOTH Federal institutions must approve the correspondence request. Correspondence with other inmates in custody other than in Federal Institutions requires approval by the Warden. Such correspondence may always be inspected and read by staff at the sending and receiving institutions.

Rejection of Correspondence: The Warden may reject correspondence sent by or to an inmate if it is determined to be detrimental to the security, good order, or discipline of the institution, to the protection of the public, or if it might facilitate criminal activity.

Examples Include:

1. Matter which may not be mailed under law or postal regulations.
2. Information of escape plots, or plans to commit illegal activities or to violate institution rules.
3. Direction of an inmate's business (prohibited act 408).
4. An inmate may not direct a business while confined. This does not, however, prohibit correspondence necessary to enable the inmate to protect property or funds that were legitimately his at the time of his commitment. Thus, for example, an inmate may correspond about refinancing a mortgage for his home or sign insurance papers; however, the inmate may not operate (for example) a mortgage or insurance business while confined in the institution.

Mail Rejection: The Warden or designee will give written notice to the sender of mail being rejected concerning the reasons for rejection. The sender of the rejected correspondence may appeal the rejection. The inmate will also be notified of the rejection of correspondence and the reasons for it. The inmate also has the right to appeal the rejection. The Warden shall refer the appeal to a designated officer other than the one who originally disapproved the correspondence. Rejected correspondence ordinarily will be returned to the sender.

Receiving Packages: Only release clothing and medical devices may be received via a package authorization. The mail room officer will not accept any item or package for delivery unless this approval form is on file or the package is adequately marked describing pre-approved items such as magazines or books.

Change of Address/Forwarding of Mail: The Mail Room will provide inmates, which are being released or transferred, with change of address cards so they may notify correspondents of their new location upon request. Inmates can request these cards during Mail Room "Open House". "Open House" is conducted on Wednesdays and Fridays from 7:00 a.m. to 7:30 a.m.. Upon inmate release or transfer, general correspondence will be forwarded for a period of 30 days. After the 30 day period, general correspondence will be returned to sender. NOTE: Special/Legal mail will still be forwarded after the 30 day period.

Certified/Registered Mail: Certified, registered, or insured mail can be arranged through the Mail room during "Open House" hours. Services such as express mail, private carrier services, or COD are not provided.

Funds Received from Family, Friends, Etc.: The Federal Bureau of Prisons centralized the processing of all incoming inmate funds. This required the establishment of a National Lock-Box location. All funds being sent to inmates must be sent to the National Lock-Box location at the following address:

Federal Bureau of Prisons
Insert Inmate Name
Insert Inmate Register Number
Post Office Box 474701
Des Moines, Iowa 50947-0001

Funds received from self-commitments, U.S. Marshals Service, U.S. Treasury or state and local governments, will be forwarded to the National Lock-Box by Mail Room Staff and/or the Cashier.

The institution mail room will no longer accept funds received from outside the institution. Any funds received at this institution will be returned to the sender with specific directions on how to send the funds to the national Lock-Box. Please notify all persons who send you funds that they must send all funds to the national Lock-Box mailing address (above) and adhere to the following instructions:

Instruct them NOT to enclose personal checks, letters, pictures or any other items in the envelope. Enclose only the allowable negotiable instrument. The national Lock-Box can not forward any items enclosed with the negotiable instrument to the inmate. Items, personal in nature, must be mailed directly to FCI, Big Spring.

Instruct them that they must have the inmate's committed name (no nicknames) and register number printed on all money orders, U.S. Treasury, state, and local government checks, any foreign negotiable instrument payable in U.S. currency, and envelope.

Instruct them that their name and return address must appear in the upper left hand corner of the envelope to ensure that their funds can be returned to them in the event that they can not be posted to your account.

Mail Room Information: The following information will allow you to understand some of the institution's mail room procedures. It is recommended that you notify family members and friends, that may be sending you correspondence, of the following information. Any questions may be addressed to the mail room or ISM staff.

1. Magazines and soft cover books may be sent from home or an outside source. No more than five magazines or soft cover books or a combination totaling five may be sent at one time. Any magazines received from an outside source may not be older than six months from the date of issue. Hard cover books must come from a book club or book store. All packages containing magazines or soft cover books that come from a source other than a book club or book store must contain written notice on the outside of the package in wording similar to: "Magazines", "Books", "Approved Reading Materials", etc. or the package will be rejected at the post office. All books and publications are subject to review and may be rejected because of content.
2. Self developing photographs may be received provided the bottom is cut open or the backing is removed. Self developing photographs that do not meet this requirement will be returned to the sender. All personal nudity photographs are unauthorized and will be returned to sender. You are authorized 25 photographs.
3. Electronic or "Musical" greeting cards are unauthorized and will be returned to the sender.
4. All packages containing material other than magazines, books, or legal material must have prior approval or the package will be returned to the sender (see your unit team concerning package authorizations).
5. Stamps or pre-stamped envelopes are not authorized to be mailed in.
6. Newspapers must come from the publisher or book store. They cannot come from home.
7. C.O.D. mail (collect on delivery) will not be accepted.
8. Generally, all items other than money or photographs contained with your correspondence will be considered contraband and returned to the sender.

Financial Management - Commissary (Trust Fund) Operations

Commissary Hours: Shopping will be Tuesday through Friday (excluding holidays) from 6:15 a.m. to 7:30 a.m., and from 10:45 a.m. to 12:15 p.m. Monday sales are from 6:15 a.m. to 7:30 a.m. and from 10:45 a.m. to 12:15 p.m. for Special Purpose Orders (SPO's), shoes, watches and radios.

It is your responsibility to be at work on time. Being in a commissary line is no excuse for absence from work and the detail foreman will take appropriate action necessary if you are not at your job site on time.

Over the counter medications will be sold to ANY inmate ANYTIME the commissary is open.

There will be NO special shopping.

Two books of stamps and/or two copy cards will be sold per shopping time.

The spending limit per month is \$290.00. This limit does not include telephone credits and stamps. Validation is done by the 5th digit of the inmate register number. (See Telephone for your specific validation scheduled date). F.R.P. Refuse inmates have a spending limit of \$25.00 per month. Shopping days rotate quarterly and are posted on the Commissary bulletin boards. The fourth and fifth digits of your register number determine your shopping day.

To successfully shop at the Commissary, the inmate must check orders for completeness and accuracy before leaving the Trust Fund Sales Window.

ALL SALES ARE FINAL. NO EXCHANGES OR REFUNDS.

Special Purchase Orders: All Special Purchase Orders (SPO's) must first be requested and approved through Recreation, the Health Services Unit, or Religious Services, depending on the item being requested. Approved orders are submitted to the Business Office for the purpose of confirming the price on item(s) requested, verifying that funds are available and freezing your account for the amount of the item(s) requested. If funds are available, the order will then be placed. This can take approximately 2-3 weeks, depending on the item(s) ordered. The Commissary will notify you when the order has been received. (The "freeze" will not be released from your account until you receive delivery of the ordered item).

In order to purchase a watch or radio, you must submit an Inmate Request to Staff Member (cop-out) to the Unit Team, indicating the item you want to purchase. The Unit Team will check the inmate's BF-383 (58) to ascertain whether or not he already possesses the number of items authorized by the Institution Supplement on Inmate Personal Property. The Unit Team will then respond to the cop-out and route a copy to the inmate.

In order to purchase tennis shoes, inmates must submit an Inmate Request to Staff Member (cop-out) to the Unit Counselor. The Unit Counselor will respond to the cop-out and route a copy to the inmate. If an approval is granted, the inmate may take the cop-out to Recreation and make his purchase through Special Purpose Orders. Approved special Commissary purchase forms will be held for 30 days. If the item is not purchased within the 30 days, the form will be discarded.

Open House: There is no "Open House". Inmates will need to submit an "Inmate Request to Staff Member" addressed to ITS/Commissary staff.

Stamps: Stamps are sold in the Commissary. You are allowed to purchase the equivalent of two books of stamps per shopping visit. You are allowed to have no more than the dollar equivalent of three books of stamps in your possession at any given time.

Vending Cards: Vending Cards are sold in the Commissary for use in the inmate copying machines. The cards are \$7.00 each and are good for 50 copies. You are allowed to buy two copy cards per shopping visit. The institution is NOT responsible or liable for losses caused by malfunctions. Vending cards are non-refundable if you transfer or release from the institution.

Photo Tickets: Tickets are sold in the Commissary. A maximum of \$15.00 in tickets may be purchased. You are allowed to have no more than \$20.00 worth of tickets in your possession at any one time. Excess tickets will be confiscated. Photo tickets belonging to other inmates or from other institutions will not be accepted.

Deposits to Inmate Accounts: See information under Funds Received from family, friends, etc.

Inmate Account Cards: It is the inmate's responsibility to properly care for and safeguard his inmate account card. This identification card is used during sales in the Trust Fund Sales Unit to provide positive visual identification. Sales transactions will not be conducted without the account card. Inmates are required to retain the Inmate Account Card in their possession at all times.

1. The inmate account card may never be in the possession of another inmate. Violations of this nature will result in disciplinary action taken against both inmates.

2. An attempt to utilize another inmate's account card to conduct financial transactions constitutes fraud. Appropriate disciplinary measures shall be taken.
3. An inmate may have only one account card in his possession.
4. Account cards belonging to an inmate placed in the Special Housing Unit will be maintained by the Special Housing Unit Staff until the inmate is released.
5. Inmates will be responsible for the replacement cost (\$5.00) of account cards due to damage, or change in appearance.
6. Inmates will be denied access to their Trust Fund Account if their appearance has changed in such a manner as to prevent positive identification of the inmate, if the account card has been altered, or if their account card has been lost.
7. Inmates must request new account cards through ITS via a "cop-out" or through their counselors.

Commissary Fund Withdrawals: A standard form is provided by the institution for the withdrawal of inmate funds from Commissary accounts. Unit Managers can approve withdrawals under \$250 from the trust fund account. Only the Associate Warden can approve withdrawals at or over \$250.00. Withdrawals for education and leisure time items are approved by the Supervisor of Education.

Telephones: Telephones for inmate use are located on all floors of the units. Inmates are limited to 300 minutes per calendar month for TRUFONE monitored telephone calls. This limitation applies to all inmates with a TRUFONE account in Bureau of Prisons' institutions, and may be used for any combination of collect or direct-dial calls at the inmate's discretion. The telephone limit per month is validated by the 5th digit of the inmate register number, according to the following schedule:

5 th Digit of Inmate Registration Number	Validation Date
0	1st
1	4th
2	7th
3	10th
4	13th
5	16th
6	19th
7	22nd
8	25th
9	28th

Telephone credits are purchased by accessing the 118 functions on the inmate telephones. Credits may be purchased anytime the telephones are operational (not during count). Credits are available immediately. No third party or credit card calls can be made on these lines.

It is expected that each inmate will handle his calls in such a manner that will allow equal use of the phones by all inmates. Calls are limited to 15 minutes, and there is a 15-minute delay between calls.

Inmates in Disciplinary Segregation and Administrative Detention are allowed one call per calendar month, up to 15 minutes. Inmates will make calls according to policies regarding Disciplinary Segregation and Administrative Detention.

Institutional telephones may not be used by inmates at any time. Emergency calls in the event of death or serious illness of family of inmates, will be made by Religious Services after verification of emergency. Calls will be placed on the ITS system and will be monitored.

Legal calls or attorney calls will be allowed only when an inmate demonstrates that communication with his attorney by other means is not adequate. For example, when the inmate or the inmate's attorney can demonstrate an imminent court deadline. Unit staff will schedule the appointment for a call with the legal representative. The inmate is required to pay for the legal calls or the legal representative can accept collect calls.

Third-party calling; third-party billing, using credit card numbers to place telephone calls; conference calling and talking in code are all prohibited acts and will be subject to disciplinary action.

Personal Athletic and Musical Equipment: Inmates may possess athletic and musical equipment. The following are the items allowed and the method that must be used to acquire those items:

1. Athletic Shoes
2. Artists Pencils
3. Beadwork and Hardware
4. Leather
5. Harmonica
6. Hardware and Leather craft (no tools)
7. Non-Toxic Paints for Ceramics
8. Protective Sports Glasses (will not transfer to another institution).
9. Knee Wrap
11. Acrylic Paints / Water Colors
12. Pre-Stretched Canvas
13. Felt and Velvet Cloth
14. Hardware for Ceramics (no tools)

Other Hobby craft items may be permitted by the Supervisor of Recreation.

These items may be purchased through the Commissary, or if not stocked in the Commissary, through a "Special Purpose Order Form" obtained through the Recreation Department during posted hours. Only those items that are listed are allowed for retention.

Radios and Watches: An inmate may not own or possess more than one (1) approved radio and watch at any one time. Proof of ownership, through appropriate property receipts, will be required. Radios and watches may not have a value exceeding \$100.00 each. Radios with a tape recorder and/or tape player are not authorized. Radios and watches will be inscribed with the inmate's name and register number. Only walkman-type radios are permitted, and headphones are required at all times. While an inmate is in holdover status, he may not purchase, own or possess a radio or watch. Inmates may not give any items of value to another inmate, i.e., radio, watch, sneakers and Commissary items.

Tobacco Free Institution

- All tobacco products will be considered contraband, and items found in possession of tobacco products will be subject to disciplinary action.
- Psychology Services, in conjunction with Health Services, offers an Inmate Tobacco Cessation Program. This program will consist of four days of training for two hours each day. The topic will be Stress Management, Physical Exercise, Medical Issues and Relapse Prevention.
- Nicotine Replacement Therapy (the stop smoking patch) is available. A Psychological and Medical Evaluation must be completed prior to receiving Nicotine Replacement Therapy.
- To participate in the Tobacco Cessation Program or to begin Nicotine Replacement Therapy, submit an Inmate Request to Staff Member to the Psychology Department.

Laundry

Bedding/Clothing Exchange: Laundering institution clothing takes place at the Clothing Room, Monday through Friday from 6:15 a.m. to 7:30 a.m. and from 10:45 a.m. until 12:15 p.m.

It is your responsibility to be at work on time. Being in a laundry line is no excuse for absence from work and the detail foreman will take appropriate action necessary if you are not at your job site on time.

Khaki exchange is done on the second and fourth Wednesday of each month at 10:45 a.m. until 12:15 p.m. Hygiene items are issued on Wednesday morning, only by numbers, using your fourth and fifth digits, 00-50, on the first and third Wednesday of each month, and 51-99, on the second and fourth Wednesday of each month. Linens, towels, and wash cloths are exchanged one for one on Mondays, Tuesdays, Thursdays, and Fridays. Blanket exchange is done on Tuesdays and Fridays, the first full week and third week of each month. The laundry bag system is for khaki clothing, t-shirts, socks, and boxers. The following are procedures for the bag system:

1. You will turn in your bag on Mondays and Thursdays during laundry exchange hours as stated above.
2. Your laundry will be washed and dried in the unopened laundry bag, which allows you to receive the same items you turned in.
3. Your laundry bag can then be picked up during laundry exchange on Tuesdays and Fridays.

Correctional Services

Quarters Rules: Pictures of any kind, whether from photos, magazines, newspapers, etc., will not be posted on housing walls or on the outside walls of lockers. Unit Officers will inspect ranges daily. If your living quarters is not acceptable, corrective action including incident reports can be expected. Each inmate is responsible for the cleaning and sanitation of his area. Additionally, inmates are assigned cleaning tasks in the unit during off hours. Inmates are not allowed to visit within their assigned units. Visiting in units other than the inmate's assigned unit is not permitted at any time. Inmates in Sunrise unit are not permitted to visit with inmates in Sunset unit and vice versa. Inmates must remain in their assigned range from 12:00 a.m. to 6:00 a.m., unless watching a program on television during weekend expanded hours. Within each housing unit, inmates are not allowed to be in ranges other than where he is housed.

Orderlies are responsible for unit sanitation. However, everyone is responsible for cleaning up after himself. Trash and wastebaskets are to be emptied prior to 7:30 a.m. each day. Paper bags or boxes are not to be used as waste receptacles.

Beds will be made each weekday by 7:30 a.m. On weekends, beds will be made prior to leaving the range. At no time will a mattress be removed from a bunk and placed on the floor or other beds.

Showers are available every day. Inmates may not shower during an official count. Food Service workers and others with irregular work shifts may shower during the day as long as showering does not interfere with the cleaning of the unit or interfere with the taking of a count. A showering schedule is also posted in the housing units and is subject to change. You must adhere to the posted schedule.

Removal of food from the Dining Room is not permitted. No items are permitted to be brought into food service.

Steel-toed safety shoes must be worn to work, including orderly positions in the unit.

Unit televisions may be viewed during established off-duty hours. During normal working hours, televisions may be viewed at the discretion of the Unit Officer. During the normal workweek, TV's can be watched until 12:00 a.m., except during the 10:00 p.m. count. On weekends and holidays, TV viewing is permitted until 2:00 a.m.

Special Purchase Items: Special Purchase items will be authorized only to the point where they can be contained in the storage area provided for personal property.

Legal Materials: Legal materials and supplies (not to exceed three cubic foot in volume) may be maintained on active cases only and may be stored in a laundry bag under the inmate's assigned bed **-with the written approval of the respective Unit Manager-**or in the inmate's unit locker.

Wake-Up: All inmates assigned to work details prior to the 7:35 a.m. work call, such as Food Service, will be awakened by the Unit officer only once. Failure to get up for work and meet the early morning movement will result in disciplinary action.

Visiting

If during the Admission/Orientation process, you anticipate a visit(s) from immediate family (spouse, children, parents, brothers, and sisters), you must submit their names to your Counselor. They will be allowed to visit unless there are strong circumstances which preclude their presence in the institution. Only immediate family will be allowed to visit during this time. Upon completion of the Admission & Orientation program, a permanent list including other relatives or friends may be approved, but only after a background investigation has been completed by the Unit Team. Your counselor will provide you with a questionnaire form (BP-IS-139) for each requested visitor. You are responsible for mailing them out and assuring they are returned for review by the Unit Team.

In accordance with the Program Statement on Visiting Regulations, it is the Unit Team's discretion, based on security concerns, as to who will be placed on an inmate's visiting list. You are responsible for notifying the proposed visitor of the Unit Team's decision and for sending approved visitors a copy of the institution's Visiting Guidelines. Visitors who have not been approved by the Unit Team will not be allowed to visit. All visitors must possess a valid and current identification card with a photo, such as a state driver's license.

No inmates will be allowed to enter or loiter around the visiting room area prior to being notified by staff or the overhead paging system. Specifically, waiting by the entrance to observe when visitors enter the institution will not be tolerated. Loitering or looking through any window to see if a visitor has arrived will result in disciplinary action.

Inmates being called for a visit shall be properly attired in khaki pants and khaki shirts. Shirts must be tucked in. Only government issue clothing will be authorized in the visiting room. This also includes government-issue footwear. Inmates with soft-shoe requirements will be required to wear bus shoes in the visiting room. Staff will provide supervised restroom breaks to the inmate population hourly.

You are allowed a short kiss and embrace at the beginning and end of each visit.

Holding hands will be the only physical contact permitted during the visit.

Appropriate disciplinary action can be taken against you for:

1. Excessive contact with a visitor
2. Receiving unauthorized items
3. Unsupervised children
4. Being out of bounds
5. Handling paper money
6. Contact with unauthorized visitor
7. Not cleaning immediate visiting area

Visiting is routinely conducted Saturdays, Sundays, and federal holidays from 8:00 a.m. until 3:00 p.m.

The Visiting Program of this Institution accesses one (1) point each time an inmate receives a visit. Once six (6) points are accumulated (six separate visits), no more visits will be allowed for that month. Holidays will not count as an accessed visit. This program is implemented in an attempt to allow more equitable visiting for the entire inmate population.

Due to limited visiting facilities, it may be necessary to impose certain restrictions on visiting regulations. These restrictions are designed to alleviate overcrowding which creates excessive distractions and potential safety hazards. Each inmate will be allowed no more than five visitors, including children, at any one time. The Captain may authorize exceptions to the limit on visitors in unusual circumstances. Make your request for an exception to your Unit Team in sufficient time for them to complete the required paperwork.

Visiting will be conducted in the institution Visiting Room or within the outside designated area. Visitors will not be allowed to go to and from vehicles parked in the institution parking lot. Any visitor over the age of 16 will be required to produce and surrender proper photo identification (i.e. drivers license or government issued identification) to the Lobby Officer. It will be returned upon completion of the visit. You will not be allowed into the visiting area prior to being called by the Visiting Room Officer. Inmates are required to notify the Unit Officer or Detail Supervisor prior to departing for a visit.

Visitors are subject to a search and scanning by a metal detector. Only clear plastic see-through purses will be permitted, and they will be opened and searched. Searches will be done in the presence of the visitor by the Front Lobby Officer. Briefcases and other such items will also be searched. Any visitor refusing to be searched or having anything in their possession that they will not allow to be searched will not be allowed entry into the institution.

Additionally, you need to remind your visitors it is their responsibility to pass through the metal detector on the first pass. Clothing and other personal articles which set off the detector must be removed prior to the initial attempt. Repeated attempts to pass through the detector are compounding delays in the clearance process. Increases in contraband brought through the visiting room is requiring a more thorough and complete search process.

The only food items allowed in the Visiting Room are items purchased from the vending machines located in the Visiting Room. The only exceptions to this are baby bottles and baby food. Baby food should be in unopened sealed containers.

You will be allowed to bring into the Visiting Room one comb, one handkerchief, a wedding ring, and a religious medal. Smoking is not permitted in the Visiting Room.

Note: You will not be allowed to carry money back to the unit from the Visiting Room.

For further details review the Institution Supplement on Visiting Regulations.

Security Procedures

Count Procedures: All counts will be conducted in a quiet and orderly manner. The official count times will be 12:01 a.m., 3:00 a.m., 5:00 a.m., 4:00 p.m. (stand-up), and 10:15 p.m. (stand-up)

On Saturdays, Sundays, and holidays, there will be an additional 10:00 a.m. count. Inmates will stand by their assigned bunk for the taking of this count. Remain in your range until the count has been officially cleared.

1. Except for the 12:01 a.m., 3:00 a.m., 5:00 a.m. counts, the P.A. announcement will be given prior to the count.
2. Inmates will not be in the shower or the restrooms during count.
3. During the taking of count, all inmates (except those on out-count) must be by their assigned bunk. No inmate will be in the corridors, on the phone, or in the TV Room. For the 10:00 am and 4:00 p.m. counts, inmates will stand by their assigned bunk.
4. During the taking of the count, there will not be any talking, movement, radio playing, or noise of any kind.
5. Inmates leaving the units after count will not run from their unit to any area. Anyone found running to areas such as the Commissary, Food Service, Laundry, or telephones may be subject to disciplinary action. Inmates will not be allowed to leave their unit for any reason until the unit officer releases the unit to mainline.

6. Inmates on out-count will not be released from their detail until permission has been obtained from the Shift Lieutenant.
7. Accountability census counts during work hours will occasionally be conducted; when one occurs, all movement stops until the count clears.
8. Failing to stand for count will result in disciplinary action.

Out-of-Bounds Areas: There are several areas in the institution that are out-of-bounds to inmates. Listed below are some of those areas, but does not include all out-of-bounds areas. Inmates are cautioned to consult staff if they are unsure if they are permitted in an area. Entering an out-of-bounds area without staff permission and/or supervision may result in disciplinary action. Inmates are not permitted within 25 feet of the perimeter fence without direct staff supervision. There are signs posted warning that this area is out-of-bounds to inmates.

All buildings and shops that are normally closed after normal business hours are out-of-bounds to inmates after normal business hours and weekends unless authorized by a staff member to be in that area.

The Administration Building, the Special Housing Unit and the area around the Special Housing Unit are out-of-bounds to all inmates except those inmates with staff permission or who are assigned to work details in those areas.

Call-Out: Call-Outs are a scheduled system for appointments (hospital, dental, education, team meetings and other activities) which are posted on the unit bulletin boards after 3:30 p.m., on the day preceding the appointment. It is your responsibility to check for appointments on a daily basis. All scheduled appointments are to be kept. If an inmate is in need of routine medical attention, he ordinarily will have to go to Health Services that morning between the hours of 6:00 a.m. and 6:30 a.m. and sign up for sick call. Sick call is held on Mondays, Tuesdays, Thursdays and Fridays, except holidays. An illness of an emergency nature is an exception and is handled accordingly. (See section on Sick Call).

Contraband: Contraband is defined as any item not authorized or issued by the institution, received through approved channels, or purchased through the Commissary. All staff are alert to the subject of contraband and make an effort to locate, confiscate, and report contraband in the institution. Any item in your personal possession must be authorized, and a record of the receipt of the item should be kept in your possession. Inmates may not purchase radios or any other items from another inmate; items purchased in this manner are considered contraband and will be confiscated. An altered item, even if an approved or issued item, is considered contraband. Altering or damaging government property is a violation of institutional rules, and the cost of the damage will be levied against the violator.

Shakedown: Any staff member may search an inmate's personal locker to retrieve contraband or stolen property. It is not necessary for you to be present when your locker is being inspected. The property and living area will be left in the same general condition as found. These inspections will be unannounced and random.

Drug Surveillance: The BOP operates a drug surveillance program that includes mandatory random testing, as well as testing of certain other categories of inmates. If a staff member orders you to provide a urine sample for this program, and you do not do so, you will be subject to an incident report.

Alcohol Detection: A program for alcohol surveillance is also in effect. Random samples of the inmate population, as well as those suspected of alcohol use, are tested on a routine basis. A positive test will result in an incident report. Refusal to submit to the test will also result in an incident report.

Fire Prevention and Control: Fire prevention, sanitation, and safety are everyone's responsibility. Inmates are required to report fires to the nearest staff member so property and lives can be protected. Piles of trash or rags in closed areas, combustible material, items hanging from fixtures or electrical receptacles, or other hazards cannot, and will not, be tolerated. Regular fire and sanitation inspections are made by a number of staff, including the Safety Officer. Cardboard and wooden made shelves affixed to the inside of the lockers is prohibited and constitutes a fire hazard. If found in your locker, personal possession, or living area, you may be subject to disciplinary action.

- TO provide inmates with accurate nutritional information that enables them to determine and establish healthy eating habits that may enhance their quality of life.
- TO ensure that essential resources are identified, developed and managed to meet the operational needs of the Food Service Program.

Religious Diets: The Certified Food Approval Program provides the only religious diet. Inmates participating in religious fasts and/or abstaining from particular foods during certain religious seasons will be accommodated through the Religious Diet Program.

Medical Diets: All institutions shall provide a medical diet program based on the guidelines for medical diets. Medical diets addressed in the guidelines for medical diets may be accommodated through Main Line self-selection since Heart Healthy alternatives are available on the north side of Main Line. The Clinical Director and/or dietitian must evaluate and approve this method of providing medical diets. A Memo of Approval is on file in the offices of the Health Services Administrator and the Food Service Administrator.

Psychology Services

The Psychology Department is located in the north end of the Sunset Housing Unit. A Psychologist is available to provide counseling and other mental health services to inmates experiencing behavioral, emotional, and/or adjustment problems. These mental health services include crisis intervention, individual and group counseling, pre-release counseling and evaluation and testing. All inmates will be screened (brief interview) by Psychology Services staff within 14 days of arrival at FCI Big Spring. A variety of special topic groups, such as Relationships, "Living Free" Values Development Group, "Commitment to Change: Overcoming Errors in Thinking" Group; "Dealing with Anger" Group; Stress Management, Breaking Barriers, Framework for Recovery, and a Victims's Impact group are offered by or co-sponsored by the department. If you are interested in one of these groups, you must first attend an individual screening interview. The department also offers an Inmate Resource Library of Psychology and self-help related books, pamphlets, and audiotapes.

It is not uncommon for people to experience feelings of depression and hopelessness while in jail or prison, particularly if they are newly incarcerated, are serving a long sentence, are experiencing family problems or problems getting along with other inmates, or receive bad news. Sometimes, inmates consider committing suicide due to all of the pressure they are under. Staff are trained to monitor inmates for signs of suicidal behavior, and are trained to refer all concerns to the Psychology Services Department. However, staff do not always see what inmates see. If you are personally experiencing any of the problems noted above, or you or another inmate are showing signs of depression (sadness, tearfulness, lack of enjoyment in usual activities), withdrawal (staying away from others, reducing phone calls and /or visits), or hopelessness (giving away possessions, stating that "there is nothing to live for"), PLEASE alert a staff member right away. Your input can save a life.

A variety of substance abuse services, such as a Living Sober group, are also offered through the Psychology Department. A 40-hour Drug Education Class is provided in both English and Spanish. Individual and group counseling is also provided by the Drug Treatment Specialist.

To request services from the Psychology Department, submit an Inmate Request to Staff Member (cop-out) to Psychology Services.

Religious Services

The Religious Services Department at FCI Big Spring provides programming designed to meet the religious needs of each inmate so that he may maintain and more fully develop his spirituality while incarcerated. Worship services, scripture studies, discussion groups and pastoral care are provided by two full-time Staff Chaplains, a contract Muslim Imam, and a number of volunteer ministers and lay persons from a variety of faith groups. In addition, periodic revivals, concerts, lectures and seminars are presented. If you do not find your faith group represented after consulting the monthly Pastoral Care Services calendar, feel free to contact a Chaplain regarding making arrangements for worship, prayer, meditation and/or study and the possibility of meeting with a representative or representatives of your particular faith group.

Should you not find your particular faith group represented at this institution, you may consult a Chaplain who will advise you of the necessary steps to take to have your religion approved at this facility. New and unfamiliar religious groups may be approved at the institutional level, by the Warden, or at the Regional or Central Office level.

The Religious Services Department provides scriptures, general religious books and pamphlets, videos, and other similar literature. The Chaplains can assist you in making proper arrangements to have religious items sent from a religious supply company. A small lending library and a reference library compliment the books and confirm periodicals that are free to all inmates.

The primary function of the Religious Services staff, contract persons, and volunteers is pastoral care and assistance. All Religious Services staff, including contractors and volunteers, are willing to assist you in resolving personal, family, and spiritual problems. You are welcome to speak with a Chaplain to discuss your particular concerns.

Inmates are not authorized to receive jewelry of any kind from home. The Religious Services Department provides catalogues for the purchase of religious jewelry and other items.

If an inmate wishes to be married while incarcerated, the Warden may authorize him to do so under certain conditions. All marriage expenses will be paid by the inmate. Government funds may not be used for marriage expenses. If an inmate requests permission to be married, he must:

1. Indicate his desire to be married through an Inmate Request to Staff Member (cop-out) to his Unit Team.
2. Have a letter from the intended spouse which verifies her intention to marry him.
3. Demonstrate legal eligibility to marry.
4. Be mentally competent.
5. The Chaplain(s) and Psychology Services are available to discuss with the inmate the issue of marriage while incarcerated.

Medical Services

The FCI Health Services Department is located in the Multi-Discipline Building, south of the inmate housing units. Medical doctors, physician's assistants, a medication technician, and a dentist provide medical and dental care.

Federal Bureau of Prisons Health Care Rights and Responsibilities: While in the custody of the Federal Bureau of Prisons you have the right to receive health care in a manner that recognizes your basic human rights. And you also accept the responsibility to respect the basic human rights of your health care providers.

Sick Call: All inmates have access to treatment and accommodations available in the health services unit. There will be a one-way move to Health Services, on sick-call days, which are Monday, Tuesday, Thursday and Friday, at approximately 6:00 a.m., to allow inmates the opportunity to attend sick-call before the first unit is called for breakfast.

Any inmate in the general population desiring medical attention will be responsible for making his own sick call appointment. A clinician will issue sick call appointments at the Health Services Unit between 6:00 a.m. and 6:30 a.m., each Monday, Tuesday, Thursday and Friday (except holidays).

Inmates working during sick call hours will inform their work supervisor of their illness and the supervisor will make arrangements with Health Services Staff. After making their sick call appointment, inmates will report to their assigned work details. The inmate will be required to present his inmate commissary card as a means of positive identification when signing up for a sick call appointment. Inmates are required to wear their complete uniform while in the Health Services Unit except in medical emergencies.

Inmates are required to present their inmate commissary card as a means of positive identification when reporting for medical/dental care and/or picking up medication.

Wednesdays are normally reserved for Admission and Orientation (A & O). Routine medical/dental sick call will not be conducted.

Inmates wishing to discuss or address non-emergency medical concerns or issues, can submit an "Inmate Request to Staff Member" to the Health Services Administrator or Assistant Health Services Administrator. In addition, inmates may address these issues by locating the HSA or AHSA at the time of the lunch mainline, on Monday - Friday, except holidays. Inmates wanting copies of their medical records may submit a request via an "Inmate Request to Staff Member", addressed to the attention of "Medical Records".

A clinician will provide sick call in the Special Housing Unit each day.

Inmates who become ill after the regular sick call appointment sign-up period should request that their work supervisor or unit officer call the physician's assistant on duty for an emergency appointment. Inmates will not be seen by the physician's assistants without first obtaining an appointment.

Dental – General Population: Inmates with acute dental problems such as severe dental pain and/or swelling should sign up for dental sick call at the same time as regular sick call. Requests for routine dental care such as cleaning, fillings, dentures, and partials should be submitted by "Inmate Request to Staff Member" (cop-out) to the FCI Dental Clinic. Any inmate desiring routine dental care will be placed on a waiting list. Treatment will be provided when the patient's name reaches the top of the list, if oral hygiene is acceptable. Routine dental care will only be provided if patient oral hygiene is acceptable. Routine care will be discontinued if oral hygiene is inadequate.

Dental - Special Housing Unit: Inmates in Special Housing have access to dental sick call and urgent care only. Medical staff assigned to this area will record the complaint and give the information to dental staff for triage.

Emergency Medical Treatment: Emergency services are available at all times. Emergencies or injuries will be given priority for treatment.

Medical coverage on evenings, weekends, and holidays is for the treatment of acute medical problems only. Inmates who become ill after the regular sick call appointment sign-up period is over, should request that their work supervisor or Unit Officer call the physician's assistant on duty for an emergency appointment.

If injured while performing your work assignment, no matter how minor it may seem, report the injury to your work supervisor. Then report to the medical department so your injury can be treated. Your detail supervisor will call ahead to inform the PA of your injury. Failure to immediately report a job-related injury to your work supervisor may disqualify you from eligibility for lost-time wages or compensation.

Clinics and Specialists: Evaluation for eyeglass examinations, hearing aids, specialty shoes or other medical devices should be pursued through routine sick call procedures. Patients who have chronic medical problems will be monitored and followed up in a chronic care specialty clinic by medical staff as often as needed. Patients requiring further evaluation by a specialist will be placed on call-out for all medical appointments and must report on time. Missed appointments or visits may result in an incident report being written. Consultations in the community will be scheduled by medical staff if deemed necessary.

Medications - Pill Line: Pill line is provided so that inmates can receive individual doses of medication that cannot be issued to the inmate to carry back to the housing unit. Inmates receiving medications will be required to present their inmate commissary card as a means of positive identification prior to receiving these medications.

Any inmate who refuses these tests will be isolated for an appropriate clinical period of time as determined by medical staff.
